About WeCare tlc

WeCare tlc is a leader in onsite and near-site advanced primary care healthcare centers for employers. The company is on a mission to change how healthcare is delivered in the United States by disrupting the typical model.

Its health centers are available to individual employers or can be created through a cooperative effort of multiple companies. Healthcare services include primary care, chronic care management, laboratory testing, medication dispensing, and negotiation for outpatient procedures.

WeCare tlc has developed systems that streamline claims data, coupled with health center data to clarify how healthcare dollars are spent. The company has adopted best practices to mitigate medical risks. WeCare tlc has saved clients more than \$420 million in claim costs, reduced healthcare costs by 20 percent, and reduced urgent care visits by 50 percent.

The company was founded in 2005 in Lake Mary, Fla., and now has more than 200 employees nationwide. For more information, visit wecaretlc.com or call us at **1-800-941-0644**.
